The Effort to Have the Legislature Meet in Alexandria.

A called meeting of the City Council was held last night for the purpose of considering the advisability of ex ending the Legis'ature of event of its removal from Richmond.

BOARD OF ALDERMEN

The Board of A'dermen was called to order at so'clock with all the members present excape Colonel Reid. There were a good many speciators entitle

Mr. Srius safed that Le attended the citz as' meeting ty invitation and was made bold by the city had done all it could do in the chairman. He approved the action of the primises, and was therefore not the party to be eriz ns. and thought that Alexandria held r sponsible. This plea was argued at would be greatly benefitted by the meeting of length by the same counsel, and the Judge rethe Legislature here, besides, it would be an served his decision on both the demarrer and bonor to have the State government transferred | the special plea to this city. He off red a resolution inviting the Legislature, in the event of it having to remove from R chmond, to ac | ura to this city ; granting the chambers of the City Council, Corporation Court room, and other rooms in the market building to is use, and appointing a committee of four, two from each board, to the invitation.

The Board thee, by invitation, proceed d to the chamber of the Common Council, where a junt meeting to discuss the matter was held. Uppe r turning to the chamber, Mr. Strauss' resolution was adopted, and the chair appointed as the committee of invitation on the part of this Board Messrs, Henry Straus; and John B.

The Board then so journed. COMMON COUNCIL.

The Major's call brought a full meeting of the Ci y Council last night. Betere any action was taken the Aldermen were asked to a joint convention.

JOINT MEETING.

When the joint meeting was convened, the Chair said the meeting had assembled to cons der the surject of inciting the General Assemby of Virginia to hold its sessions here, and the just meeting had convened in order that the members might express their views.

Alderman Strauss, appounced that the L kislature had appointed a committee to assertain what facilities the several cities of the State offer of for the sessions of the General Assemtily. Our representative Judge Stuart always excelut of the interests of his constituents had presented the elsims of Alexandria, and it was as invitation to the General A-sembly.

The communication of the Mayor calling the meeting and explaining its object was read and 1sd to considerable debate upon the proper par The proceedings of a meeting held at the

The Council Chamber and the Corporation Cours would serve expellently well for the sessions of the General Assembly and the City Court e uld met at the old Courthouse for awhile. There was no danger of the Ligislature bringing the small pex here and if they came shey would probably be the means of securing the town from the approach of the diseast.

Mr. Bichberg said that the members cught to give their views on the subject. There ware two sides to it. It would be of considerable advartage to the citizens if the Legislature came here, but if the Legislature came here the small pox might come here faster than it would otherwise; and it was for the Council to take a broad view of the matter and consider it is all its aspects. it would certainly be a benefit if the Legislaure would come. The small pox might come with cut the Legislature, for there was constant passing and repassing all the time between Alexandris and Richmond. He would like to hear other

gentlemen on the subject.

Alderman Strauss was greatly surprised at the remarks which he had heard. He saw none of the dangers which the gentleman had presented. it would be a great bonor to have too Legisla ture sit here, bringing here the law makers—the superiors to the City Council—to transact business in this city. He was in favor of offering the Legislature not only the City Buildings but of engaging for them the halls of the city. Judge Stuart had stood by the city in this business. He apprecisted him and endorsed his high sontiments and his regard for Alexandria. The joint meeting then dissolved

When Council convened again Mr. Martury atroduced a resolution for the appointment of a oint committee; and himself and Mr. Lambert eing named the committee on the part of the Common Council, proceeded to the Aldermen's chamber, and on their return A derman J. B. most came with them and announced that the Aldermen had already passed a resolution on

the subject in which the concurrence of the Common Council, was saked.

The Aldermen's resolution, which provided for a committee of two members of each Board to co operate with the committee appointed at the afternoon meeting wee agreed to, and Meests Leonard Marburg and B. H. Lambert appointed on the part of Council.

The Board then adjourned.

After the adjournment of the City Courc.l a not meeting of the Council and citizin's ocmmattee was held in the office of Auditor Brockett, which elected the following officers: Eduund Barke, chairman; Leonard Merbury, Beorelay; J. B. Smoot, Tressurer.

He u ged immediate to ion, as the other cities named in the resolution had already taken steps in the matter. After discussing measures looking to the accommed ation of the Logislature, and the comfort and convenience of its members in the event of this city being selected if the removal from Richmond is made, the j ist committee aciourned till this evening.

The committee met this afternoon, but not having any positive information from Richmond, without action, adjourned, subject to the call of the chair.

A dispatch has been received in this city from a member of the Legislature, stating that the General Assembly would neither acjourn or remove its sessions from Richmond.

of stock of the Alexandria Canal Company was up in the U. S. Circuit Court, in session in this city, to-day. The city at the lest term if the court filed a ceparate demurrer, heretofore putshed in fall in the Grzitte, to the amended bill of complaint of the United States. Upon this demurrer argument was heard to-day. Corporation Attorney K. Kemper, Judge Charles E. Stuart and Mr. John M. Johnson corresonted the ciry, and District Attorney L L. Lawis the United States. The defence was

that the act of Congress, approved March 3. 1837, approprieted to the Alexandria Canal Company \$300,000, and did not thereby create Vagicis an invitation to meet in this city in the any indebtedness; that the stock of the Alexaudria Canal Company owned by the city at the date of the said act was to be deposited with the Secretary of the Tressury to be held in trust by him and his successors for a period cf ten years and no longer; that said trust expired by limitation long before this suit was instituted, &s. District Attorney Lawis argued that the expiration of the ten years in regard to the trest befere the suit was instituted did not for hithe reasons for calling the injecting, and apply, and that the contract of the city with the United States for the surrender of the ing of ent zins yesterday afternoon inviting the stock referred to cught to be enforced. After Legislatium to meet in this city, and requisting the argument on the demurrer, a special plea him, the Mayer, to call a meeting of the Cour- was filed by the city that the City Courcil in of to consider the matter, was read and re- ordering the Mayor, on the 4th of April, 1837, to deliver to the Treasurer of the United States all steck of the Alexandria Canal Company

THE A. & W. R R. CASE -The c.se of Alexander Hav against the Alexandria and Weshington Reilroad Company was before Judge R. bert W. Hughes, of the U. S. Circuit Court, in session in this of y, egain to-lay, but for a short time only. The motion for the apunite with the citizens' committee, in extending pointment of a receiver of the road having been sustained as stated in yesterday's Gizitte, the filing of the order in the case was fixed for today. The order, as read by Gen. Wells, appoints Geo. C. Wilkins receiver of the road, and requires him, the receiver, to make monthly repers of his doings to the Clerk of the Court in this city, and appoints John C, Fowler master, for the purpose of receiving the said reports, and prevides for an inventory of all the property of the road. Some objectors to the order were made by Mr. Francis Miller, of Washington, who represents certain creditors of the road, including the District of Columbia, Mr. Miller winted the Court to require the

receiver to include in his report the contracts Zisting between the A. & W. and other roads. The Court said that to accomplish this a separate motion would have to be made and the receiver given time to answer. Major Fr-to . L. Smith said it wand be time enough to take action of this kind after the receiver had made his first report. Gen. Wells satisfied Mr. Miller that the order inc'uled what he desir d. The old r was then filed as originally prepared.

TOCLEY STREET TAILORS OUTDONE -"We the citizens!!" Who are we Who called that meeting of citizens? Who was there? Who is going to pay the expenses of the delegates? For what did we send our representatives to Richmond? and is it not a reflection upon them to sproint assistants? Ain't there a cat in the meal tub? and was not the "removal" of the capital a pretext? There is no real idea of the Legislature going away from Richmond, and sensible people know it Now let those who go pay their own way, and—see how many go. Comparisons are "odorous," but there used to be an old radical here who was wont to set in jail and fulminate the proceedings of a meeting he'd in a cellar!
